2016–2017 CONFERENCES

ESTES PARK INSTITUTE PROGRAM HIGHLIGHTS

A clear vision for the future benefits every organization—especially at a time when powerful changes continue to reshape our health care world. At the Estes Park Institute, our goal is to help you create a clear vision for the future of your organization.

Our conference program

opens with stories from the front lines of health care. Stories related by our faculty from the perspective of patients and clinicians and executives. Stories that convey great truths from those immersed in the struggles and breakthroughs of health care today.

Those stories will serve as a springboard to our **General Sessions**, where we will explore:

- New Political Realities
- Population Health
- Payment Reform
- Visioning and Goal-Setting
- Best Practices

to help your leadership bring its vision to life.

Focused program tracks

delve deeper into the specific health care challenges your hospital is facing. **Choose** the track that's most important to you:

- **Hospitals and Their Trustees: The Present and The Future**
- **Safety and Quality: An Affair of the Head and the Heart**
- **The Innovators: Building an Exemplary Community Health Care System**
- **The Long-Term Outlook for Medicare and Private Payment Reform: What Does It Mean for Hospitals and Physicians?**

Our **Interactive Sessions** allow the Estes Park Institute faculty to dive into the nuts and bolts of more than 25 specific issues, including:

- Innovating in Philanthropy
- Hospital/Physician Coordination
- Financial Stability & Fiduciary Responsibility
- Optimizing Palliative Care
- Regulatory & Compliance Changes
- Developing a Change Management Culture
- Alternatives to a Merger or Acquisition
- Post-Acute Care Strategies
- What Do Patients Really Want?
- Getting Maximum Return on Your IT Investment

Faculty

The Estes Park Institute faculty represents all aspects of the health care community. Together, they design a comprehensive program that offers direction for the long term as well as innovative tools and realistic solutions for today's immediate challenges. And each conference is augmented by guest speakers with special expertise.
